Description _____

By signing this agreement, I understand that I am a foster parent for Friends of the Animal Community (hereafter called FOAC). Ownership remains with FOAC until either I am approved to adopt the dog, or there is an approved application on file for an adopter. I understand that I, as a foster family, would be given complete consideration as the adopter; however, I must complete an application for approval as any other adopter would. I am not authorized to adopt this pet to anyone without express approval from FOAC Administration.

My responsibilities as a foster parent are as follows:

- To provide a good quality dog food and fresh clean water at all times.
- To protect the dog from harm and keep it in a safe environment.
- To not allow the dog to run at large.
- To provide a clean area for elimination.
- To assist with socialization of the dog.
- To assist with behavior training, housebreaking and leash training.
- To be responsible and to treat the dog with love, respect and consideration at all times.
- To observe the dog's behavior and to relay any problems or causes for concern to a FOAC representative in a timely manner.

I will notify Friends of the Animal Community if for any reason circumstances do not allow me to meet the criteria as outlined in this agreement.
